

Local Committee Success Mapping

Thank you to all Local Committees who completed a 2020 Action Plan!

Your plan priorities help to inform partnership efforts across HUB & enable a coordinated approach, including new Success Mapping efforts

Common 2020 Action Plan themes included:

1. Municipal advocacy
2. Infrastructure-related priorities
3. Community outreach/events
4. Committee functioning

Local Committee Success Mapping

We used these four themes to draft a success mapping matrix

Previously the the only metrics used looked at community functioning

We wanted to expand this using your goals for the year

Pillar 1: Building alliances/partnerships (4 metrics)

Pillar 2: Cycling infrastructure (11 metrics)

Pillar 3: Community Outreach/Events (4 metrics)

Pillar 4: Local committee strengths (4 metrics)
